Attn: Jeff Brown

Dear Jeff:

It gives us great pleasure to announce the ABA's Category 5e, Category 6 and Category 6e cable have been tested and approved by ICC. ICC is please to include ABA within our list of approved cable partners. ICC will work with ABA on a project by project basis to provide a 30 year system warranty to customers.

As with all ICC's approved cable partners, ABA is full responsible for anything pertaining to horizontal cabling. In the structured cabling industry ICC is known for continuous commitment in placing customers first and foremost. As ICC's cable partner ABA is required to offer the same 30 year warranty terms and conditions as ICC;s. Please, read the attached ICC's 30 Year System Warranty Terms and Conditions and sign acknowledgement and fax back.

Sincerely,

Don Lagrave
Western Sales Manager

By signing below, you acknowledge receipt of ICC's 30 Year System Warranty Terms and Conditions.

30 YEAR CERTIFIED SYSTEM LIMITED WARRANTY Terms and Conditions

ICC provides the following warranty to protect your investment in ICC system solutions.

Coverage

Products

This warranty applies to: (a) All Category 5e-rated products manufactured by ICC (b) All products manufactured by ICC which are designated by ICC as part of ICC's Category 6 Channel Solution, and (c) Approved Category 5e-rated and Category 6-rated horizontal cable manufactured by ICC approved Cable Partners, when included in the certified system. ICC makes this warranty in conjunction with identical warranties provided by ICC-approved Cable Partners to support identical assurances and warranties made by ICC Certified Installers for all qualified products used in the Certified System.

Warranty

ICC and the ICC-approved Cable Partners warrant that all qualified products used in the Certified System are, in normal and proper use, (1) free from defects in material and workmanship and (2) perform in accordance with applicable ANSI/TIA/EIA-568 specifications in effect at the time of the sale.

ICC and ICC-approved Cable Partners will, at their own discretion, repair or replace any product that is found to be defective, or, if repair or replacement is not feasible, refund the purchase price of the defective product. This warranty covers the cost of labor to remedy a warranty claim, in the manner determined by ICC, but does not cover the additional cost, if any, for any additional labor or products not sold or provided by ICC, ICC-approved Cable Partners, or ICC Certified Installers. ICC and ICC-approved Cable Partners reserve the right to inspect the installation site and determine the cause of defect or failure.

Claims made under this warranty must be reported in writing to ICC within ten (10) business days of the discovered failure. This report must include the complete test results identifying the failure, both in hard and soft copy, a current schematic of the site, and a copy of the project application with certification number. ICC Certified Installers will also provide other information regarding the system as requested by ICC to facilitate resolution of the claim.

Length of Coverage

This warranty extends for a period of thirty (30) years from the date of issuance of the Registration Certificate.

Eligibility

This warranty is made by ICC and ICC-approved Cable Partners to ICC Certified Installers for all qualified products in the Certified System. In order to qualify for this warranty, ICC Certified Installers must provide to ICC the installation specifications and other information required by ICC. After ICC has verified that the installation conforms to ICC's requirements, ICC will issue the Registration Certificate, thereby recognizing it as an ICC Certified System. This warranty is effective from the time ICC issues the Registration Certificate. Absent ICC certification and strict compliance with ICC's requirements, this warranty is null and void. This warranty may not be assigned to any other party without the express written consent of ICC.

Limited Liability

This warranty does not cover defects or non-compliance in the design or installation of the cabling system, which may result from failure to comply with ICC's design guidelines and/or improper installation procedures. This warranty also does not cover any product failure resulting from circumstances beyond ICC's control, including but not limited to, accidents, modifications, unauthorized repair, misuse, fire, flood, Acts of God and use outside the United States. This warranty covers the components and the

ICC

cabling system at the original site of installation only. Any modification to the system without ICC's approval voids this warranty.

ICC AND ICC-APPROVED CABLE PARTNERS SHALL NOT BE LIABLE FOR DAMAGES OF ANY KIND, INCLUDING WITHOUT ANY LIMITATION, LOST OR ANTICIPATED PROFITS, DELAY, OR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES. IN NO EVENT SHALL THE OBLIGATION EXCEED THE TOTAL PURCHASE PRICE OF ALL QUALIFIED PRODUCTS IN THE WARRANTED SYSTEM. THIS WARRANTY IS IN LIEU OF ANY AND ALL OTHER WARRANTIES. ICC AND ICC-APPROVED CABLE PARTNERS MAKE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR WARRANTY OF FITNESS FOR ANY PARTICULAR PURPOSE.
