

Elite

System™

Warranty

The purpose and scope of this ABA Elite **System** Warranty is to allow any *Datacom Industry Certified Installer to choose a connectivity brand of their choice without having to worry about which manufacturer will warrant what part of the Channel Link. Here at ABA, we have taken the worry out of the decision on which products to use. The “**Team**” in **System** is you and us. A one stop choice.

ABA will cover the Elite Cable Brands sold by ABA Industry, Inc (ABA) at 1229 E. Walnut St., Carson, CA 90746 and any connectivity product listed below against performance failures for 30 Years from the original date of installation.

Approved Vendors:

Hellerman Tyton
Hubbell
ICC
Leviton
Ortronics
Panduit
Siemon
SMP

This warranty covers the components, such as jacks, patch panels and cable that is at minimum Component Compliant based on the TIA Standards and guarantees product application performance for the length of 30 Years.

**Installer must possess a certificate from any of the above listed connectivity manufacturers or from a BICSI accredited school or training facility.*
